

LEVEL UP

MGM GRAND

This 12,000-square-foot venue at MGM Grand houses a contemporary wave of gaming with a number of unique installations including QuadAir Hockey, Bubble Hockey, Sigma Derby, Giant Pac-Man, Connect Four and an arm-wrestling table, along with traditional activities such as pool, foosball and ping pong. Integrated into LEVEL UP is exhilarating VR technology offered by “Virtual Reality Powered by Zero Latency,” which immerses up to eight players in a completely interactive digital universe, allowing them to physically navigate considerable distances through a 2,000-square-foot arena while collaborating with other players in heart-racing challenges. Teams can choose from three different games for a 30-minute experience, depending on what kind of adventure they seek. Max Capacity: 100–150
