

ON THE RECORD

PARK MGM

Expect the unexpected at On The Record, the speakeasy and club at Park MGM. An out-of-the-box experience with something new around each corner, the venue fuses meticulous period design and authentic music nostalgia such as framed vinyl and a commissioned 1963 Bristol Lodekka double-decker bus converted into a DJ booth and bar on the patio. A functioning record store entrance, pin ball machines, a vintage Rolls Royce DJ booth, private karaoke rooms, a hidden vinyl parlor, walls lined with classic cassette tapes and live performance capabilities all invite a fun, energetic and unforgettable atmosphere. As an indoor and outdoor venue with three rooms, the options are endless for any type and size event. With Park MGM's unparalleled service, world-class mixology program and five-star catering services, we are certain that On The Record will offer a fun and fresh new spin to your event. Max Capacity: 800
