The image features a vibrant green felt background, typical of a casino table. In the top-left corner, several playing cards are fanned out, including the Ace of Diamonds, Ace of Spades, Ace of Clubs, and Ace of Hearts. In the bottom-right corner, a portion of a plaid pattern is visible. The central focus is the text 'FACT OR MYTH' in a bold, white, serif font. The word 'OR' is enclosed within a small, light green circle.

FACT OR MYTH

FACT OR MYTH

I've been playing one slot machine
all evening and it hasn't paid out yet.
It must be due for a win.

FACT

MYTH

The image features a green felt background. On the left side, several playing cards are visible, including the Ace of Diamonds, Ace of Spades, and Ace of Clubs. In the center, the word "MYTH" is written in a large, white, bold, serif font, enclosed within a white rounded rectangular border. In the bottom right corner, there is a stack of cards with a green and white plaid pattern.

MYTH

All machines are programmed to pay out at random. Each spin is random and unaffected by prior results.

The background is a vibrant green felt, typical of a casino table. On the left side, several playing cards are fanned out, including the Ace of Diamonds, Ace of Spades, Ace of Clubs, and Ace of Hearts. On the right side, a portion of a roulette wheel is visible, showing its characteristic green and white plaid pattern.

FACT OR MYTH

I'm trying to decide on a strategy for picking numbers to bet on while at the roulette wheel. I know the last 10 winning numbers. I plan to avoid them since they won't win again for a long time.

MYTH

The image features a green felt background. On the left side, there are several playing cards: an Ace of Diamonds, an Ace of Spades, and another Ace of Spades. In the center, the word "MYTH" is written in a large, white, bold, serif font, enclosed within a white rounded rectangular border. In the bottom right corner, there is a stack of cards with a green and white plaid pattern.

MYTH

The odds remain the same no matter what numbers have come up in the past.
With every spin, every number has an equal chance of winning.

FACT OR MYTH

If I play long enough, eventually I can win
back all the money I've lost.

FACT

MYTH

The image features a green felt background, typical of a casino table. In the top-left corner, several playing cards are visible, including the Ace of Diamonds, Ace of Spades, and Ace of Clubs. A large, white, rounded rectangular stamp with the word "MYTH" in bold, black, serif capital letters is centered in the upper half. In the bottom-right corner, a portion of a green and white plaid patterned card is visible.

MYTH

The longer you play the more money you're likely to lose. "Chasing losses" almost always leads to bigger losses.

The background is a vibrant green felt texture. On the left side, several playing cards are fanned out, including the Ace of Diamonds, Ace of Spades, Ace of Clubs, and Ace of Hearts. On the right side, there is a portion of a craps table with a green and white plaid pattern.

FACT OR MYTH

I'm playing Craps and I just rolled "snake eyes". On my next roll, I am no more or less likely to get snake eyes again.

FACT

Each roll of the dice is an event independent of any other.

The background is a vibrant green felt texture. On the left side, several playing cards are fanned out, including the Ace of Diamonds, Ace of Spades, Ace of Clubs, and Ace of Hearts. On the right side, there is a patterned object with a green and white plaid or checkered design.

FACT OR MYTH

Holding my lucky rabbit's foot, crossing my fingers, or blowing on dice will improve my chances of winning.

On the right side, a portion of a green and white plaid cloth is visible. The title 'FACT OR MYTH' is centered at the top in a large, white, serif font. The word 'OR' is smaller and contained within a green circle that overlaps the 'O' in 'FACT' and the 'M' in 'MYTH'.

FACT OR MYTH

I'm an experienced card player so I may make better decisions and have a better chance of winning than a beginner.

In the bottom right corner, there is a stack of cards with a green and white plaid pattern. In the center, the word 'FACT' is written in large, white, bold, sans-serif capital letters inside a white rounded rectangular border.

FACT

While skill and experience may help to improve your odds in skill-based games such as poker, you still cannot control the cards you are dealt or how other players will play their cards.

FACT OR MYTH

Sitting in the same seat each time I play will improve my chances of winning.
