**SUPPLIER HEALTH &
SAFETY GUIDELINES**

JUNE 2020

MGM RESORTS
INTERNATIONAL®

INTRODUCTION

Due to the potential risk of coronavirus MGM Resorts has implemented the following guidelines to ensure the safety of employees, suppliers and guests. Suppliers/Third Parties visiting properties are expected to adhere to CDC physical distancing guidelines and wear PPE.

WHAT PROTOCOLS HAVE BEEN IMPLEMENTED FOR SUPPLIERS VISITING MGM RESORTS?

Suppliers will be required to adhere to MGM Resort's Seven-Point Safety Plan. The plan is available at:

<https://www.mgmresorts.com/en/covid-19/seven-point-safety-plan.html>

HOW WILL INTERACTIONS FOR DELIVERIES TO THE RECEIVING DOCK/WAREHOUSE TAKE PLACE?

Suppliers/Third party delivery drivers will not be allowed to enter the property past the dock point unless authorized by management.

- Delivery drivers will be asked to wear a mask when interacting within 6 feet of others at the facility; Signage will be displayed at dock.
- Queuing spots will be taped off for delivery drivers to ensure appropriate physical distancing.
- Where feasible, a "touchless" receipt option will be leveraged for inbound shipments with suppliers in which the recipient name will be recorded into the supplier's tablet/paperwork in lieu of a physical signature.
- Should a signature be required, employees will use their own stylus or pen for signatures. Stylus or pen will be kept with the employee throughout the shift (no sharing) and will be disinfected frequently.
- Invoices will be collected electronically where feasible to reduce physical paper and touch points.

HOW WILL FACE-TO-FACE MEETINGS BE CONDUCTED?

Supplier meetings will be conducted via remote virtual/conference call and only when an appointment is confirmed. Sales representatives are not be allowed in back of house areas (storerooms only) with the exception of contract labor.

Should an in-person meeting be required, attendees will be limited to 50% room occupancy to adhere to social distancing requirements.
