EXPERIENCE ROTATING SIGNATURE DISHES FROM BLACK-OWNED RESTAURANTS

We're cooking up new ways to celebrate Black-owned restaurants by creating a seat at the table to continuously drive visibility for Pepsi Dig In Restaurant Royals.

TRAP KITCHEN
1/29 - 2/25
MEET THE CHEFS

Slim + Husky's is a story of three friends with a mission to empower communities while using pizza as their vehicle to engage. The Tennessee State University grads started the fast casual, gourmet pizza joint as a way to serve unique pies and provide jobs to their neighborhood in North Nashville. Now, Slim + Husky's offers build-your-own pizzas, take out, catering and delivery.
